

Outsource, Leverage and Replace Yourself!

With John Jonas and Jeff Mills

See our special offer (good for only 9 people) at www.outsourceworkshop.com/special.html

1. Where Do I start
2. How do I track outsourcers for the time they put in?
3. How do you find a quality person to work with you?
4. How do you keep everything organized, like all your projects?
5. What countries are the best to use to find outsourced workers from?

16. How do you train your outsourcer if they don't know how to do specific tasks?

17. How does taxes, contracts and law of the Outsourcer's country come into play?

Come to our special Outsource and Leverage Workshop – This weekend – Feb 6-8, 2009!

Tickets are \$1997 but for the next 9 people who sign up, price is \$197, saving you \$1800 off right now. This is a very limited time offer, so first in, first to save... last in... well.. we tried to warn ya!

All the details on what you'll learn are here:

www.outsourceworkshop.com/special.html
